- (a) Any and all railroad cars described in Attachment I hereto which is made a part hereof and incorporated herein by this reference together with all accessories, equipment, parts and appurtenances apertaining or attached to any of the Equipment herein above described, whether now owned or hereafter acquired, and all additions, improvements, accessions and accumulations to any and all of said Equipment, and all substitutions, renewals or replacements of any such additions, improvements, accessions and accumulations, together with all the rents, issues, income, proceeds and avails therefrom (the "Equipment");
- (b) All proceeds (including, without limitation, insurance and indemnity payments) from the sale or loss or other disposition of the Equipment; and

(c) Any and all leases, whether now or hereafter existing, of Equipment (the "Leases") between the Borrower as lessor and other persons as lessees (the "Lessees"), including, without limitation, (i) the right to receive all rent due thereunder, (ii) all claims for damages arising out of the breach of any Lease, (iii) the right, if any, to terminate any Lease, to perform thereunder and to compel performance of the terms thereof, (iv) the right to take possession of the Equipment, subject to the right of the Lessee, (v) the right to make all waivers and agreements and to enter into any amendments relating to any Lease or any provision thereof, (vi) the right to take such action upon the occurrence of an event of default under any Lease including the commencement, conduct and consummation of legal, administrative or other proceedings as shall be permitted by any Lease or by law, and (vii) all other rights, claims, causes of action, if any, which the Borrower may have against any Lessee with respect to the Leases.

All such Equipment, Leases, and rights, claims, causes of action and proceeds with respect thereto are herein collectively called "Collateral."

Section 1.2. Representations and Warranties. The Borrower represents and warrants:

(i) That it is the owner of all of the Equipment, that there are no encumbrances or liens of any kind or character against any of the Equipment (other than Leases and the lien of this Mortgage) or any Lease and that it has good right and lawful authority to assign, pledge, mortgage, and grant a security interest in the same.

(ii) That it has not assigned, pledged or mortgaged, and hereby covenants that it will not assign, pledge or mortgage, so long as this Mortgage shall remain in effect, the whole or any part of the rights or interests hereby assigned, pledged, mortgaged, and granted by it hereunder to anyone other than the Bank, its successors assigns.

(iii) The Borrower agrees to warrant and defend the rights and interests of the Bank in and to the Equipment and the Leases against the rights or claims of any persons other than any Lessee under a Lease or the Borrower.

Section 1.3. Maintenance and Repair. The Borrower agrees that, at its own cost and expense it will maintain and keep all the Equipment in good order and repair in accordance with industry standards and with the Interchange Rules of the Association of American Railroads and in full compliance with any applicable law, rules, regulations or standards which may be promulgated by the Department of Transportation and Federal Railway Administration, the Interstate Commerce Commission or other applicable regulatory body or any successor agency or party thereto.

Once the Equipment is so marked, the Borrower will not permit the identifying number of any item of Equipment to be changed. The Borrower will cause the Equipment to be kept numbered with the respective serial numbers set forth in Attachment I hereto and will not change or authorize to be changed such serial numbers unless and until an amendment to the relevant mortgage shall have been filed and recorded by the Borrower with the ICC, and the Borrower shall have furnished to the Bank an opinion to the effect that such amendment has been so filed and recorded, such filing and recordation will protect the Bank's security interest in the Equipment and no filing or recording with or to any other Federal, state or local government or agency thereof is necessary to protect the security interest of the Bank in the Equipment.

Section 1.6. Destruction of Equipment. The Borrower will bear the responsibility for and risk of, and shall not be released from its Obligations hereunder in the event of, any damage to or the destruction or loss of any item of Equipment or all the Equipment.

Where, however, the conflicting provisions of any such applicable law may be waived, they are hereby waived by the Borrower to the full extent permitted by law, it being the intention of the Borrower that this Mortgage shall be deemed to be, inter alia, a security agreement and enforced as such.

Section 4.4. Waiver. Except as otherwise provided in this Mortgage, the Borrower, to the full extent permitted by law, hereby waives all statutory or other legal requirements for any notice of any kind, notice of intention to take possession of or to sell or lease the Equipment, or any one or more items of Equipment thereof, and any other requirements as to the time, place and terms of the sale or lease thereof, any other requirements with respect to the enforcement of the Bank's rights under this Mortgage and any and all rights of redemption. Section 4.10. Law Governing. The terms of this Mortgage and all rights and obligations hereunder shall be governed by the laws of Illinois; provided, however, that the Bank shall be entitled to all rights conferred by the filing, recording or deposit hereof in the appropriate office(s) pursuant to Section 11303 of the Interstate Commerce Act or in such other offices as may be appropriate in the jurisdiction in which the Equipment is operated.

Section 4.11. Counterparts. This Mortgage may be executed in several counterparts, each of which shall be an original and all of which taken together shall constitute one and the same agreement.

Section 4.12. Successors and Assigns. This Mortgage shall be binding upon the Borrower and inure to the benefit of the Bank, and its successors and assigns. The Borrower may not assign or transfer its rights hereunder without the prior written consent of the Bank.
